## ABOUT US

Asas United Company company is a full-service of Electrical, Mechanical & Civil contracting. We provide good Skill Manpower, equipment, and experience to handle everything from large complex projects to service repairs reliably and effectively. Enterprise's proven, single source capabilities provide customers with efficient solutions for large & small projects, and provide fast, reliable, 24-hour service at competitive prices. Enterprise Technicians are comprehensively trained professionals who consistently provide quality craftsmanship. Open and honest communication, trust and performance are values that built Enterprise and its client base. From construction or design of industrial, commercial, manufacturing, or institutional facilities to the servicing of these facilities, quality is our first priority. The mechanical and electrical systems in your facility are a long-term investment that will enhance your building's value. Enterprise's design capabilities set us apart from other mechanical and electrical contractors. We'll work directly with you or with your engineers and architects to find creative solutions to your specific needs. From design through construction, and continuing with ongoing service and maintenance, we'll provide quality solutions at competitive prices.

## Responsibility

Your Electrical, Mechanical & Civil contracting system will be under the care of our professional and highly skilled technicians who are trained to address your electrical concerns.

## Integrity

We are transparent with our clients, from discussions about the project to cost breakdowns. We guarantee our unparalleled service and the use of high-quality materials for your electrical needs.

## Partnership

Lamur International was founded with the intention of creating long-term relationships by treating all of our customers as 'partners'. We still conduct work for many of our original customers, and always welcome the opportunity to forge new relationships.

## **We specialized in Mechanical Field**

- Plumbing and Heating Installation
- HVAC
- Heating
- LTHW Radiant Panels
- Gas Mains
- Smoke Ventilation
- Dry Risers
- Heating Ventilation
- Natural Vent – Window Actuators
- Natural Gas Distribution System
- Building Management System
- Soils and Wastes

## **We Specialized Electrical Field**

- Main Switchgear & Sub Man Distribution
- Disabled Refuge & Alarm
- Lighting & Lighting Control
- Emergency Lighting System
- Intruder Alarm
- Video & Fob Door Access System
- Addressable Fire Alarm System
- PV Panels
- CCTV & Security Systems
- Disabled Refuge and Toilet Alarm Systems
- Structured Cabling
- Solar Photovoltaic
- Lighting Protection Systems
- Induction Loops
- Nurse Call Systems
- Under Floor Busbar
- Energy Metering Monitor
- Audio Visual & PA systems

# We specialized in Civil Field

- Excavation(Mechanical and Manual)
- Backfilling
- Concrete works
- Shuttering/Formwork(Making and fixing)
- Steel Rebar(fabrication and fixing)
- Installation of anchor supports
- Gypsum board partition
- Fall ceiling
- Tiles fixing
- Wall cladding
- Brick work
- Plastering
- Painting

# Visions & Values
